

THE CATHOLIC CHURCHES OF ST. ANTHONY *and* SEVEN DOLORS

ALBANY • MINNESOTA

Cycle's of Faith

26th Sunday in Ordinary Time

A friend of mine spent many years working for the church. She began her career as a Catholic school teacher. Then, after the Second Vatican Council, and at the suggestion of a parish priest, she went on to become a director of religious education in her parish. Eventually, she was employed by a large diocese and spent time collaborating with one of the auxiliary bishops on diocesan projects. As the priest shortage challenged dioceses, my friend took on the responsibility of running a suburban parish, which is where I met her. When she finally retired years later, she and her husband continued to share the task of directing stewardship efforts in their parish.

Throughout her years of service my friend was blessed with great opportunities while facing ministerial challenges as well. The Gospel story of the poor beggar Lazarus was one that she often talked about. She would describe how the words haunted her. In all her work my friend felt that she was so blessed, just like the rich man in the Gospel. While by no means rich, she and her husband had a comfortable existence, four adult children who were all doing reasonably well, a house, and decent health. Any observer would describe them as living the American dream.

It was this Gospel about Lazarus that drove my friend to a passion about care for the poor. At just about every opportunity in her ministry she would devise ways to include helping others and to encourage others to do the same: religious education classes included a component of service; prayer services often had intercessions for those in need; activities that drew people from the parish into meal programs and St. Vincent de Paul were promoted. My friend felt that she, like so many others, was the rich man in the Gospel. And that Jesus expected us to take care of Lazarus today.
