Easter Sunday ~ The Resurrection of the Lord

Easter symbols are all about life. The lilies that bloom radiate living beauty. Easter eggs symbolize the life the breaks out of the tomb. The Easter candle burns brightly as a sign that light conquers darkness, a light that brings life to all. Water is needed by every living thing. Even secular symbols like rabbits and chicks point to abundant life—recall the phrase, "they multiply like rabbits," used to describe a proliferation of life.

The cross that graces so many Easter cards as well as the Easter candle itself, also reminds us that Easter is about death-and transformation. The symbols of life have within themselves the power of death. The lily gives up its bloom and the plant dies back retreating into the bulb that nourished it. The egg pours out its life and the shell is left behind. The fire that is contained in the Easter candle can just as easily roar into a refining conflagration. Water, which all life needs, can also destroy. And the cross at its inception was an instrument of death and hardly a symbol of life.

This is the hard truth of the Easter message. Life comes at a price, and eternal life at the costliest price of all: the death of the only-begotten Son. Christ's death brings life, and is so radically transformative that even the very instrument of his death is seen today as a sign of life for all. The newly baptized are sealed with a cross of chrism on their forehead, a fragrant transformation of the ashes that graced us all at the beginning of Lent. The newly baptized died to sin in the bath of water and rose to life in Christ, and the rest of us renewed our baptismal commitment to follow Christ faithfully through life. This Easter day is a celebration and a commitment, a promise to leave the past behind and to walk in the newness of life. ©2011 Liturgical Publications

When Simon Peter arrived after him, he went into the tomb and saw the burial cloths there, and the cloth

that had covered his head, not with the burial cloths but rolled up in a separate place. Then the other disciple also went in, the one who had arrived at the tomb first, and he saw and believed.
